

ESBB & BBMRI-ERIC form strategic alliance to jointly organize one annual biobanking conference in Europe

On 30 September 2015, BBMRI-ERIC and ESBB formed a strategic alliance for one single biobanking conference in Europe. This alliance will reduce the number of competing biobanking conferences in Europe and will help unite the biobanking community.

BBMRI.at plans to jointly organize with the European, Middle Eastern and African Society for Biopreservation & Biobanking ESBB and BBMRI-ERIC the 1st conference that will be held in Vienna in September 2016.
