Europe Biobank Week 2016

Sept 13-16, 2016 – Vienna, AUSTRIA

BBMRI.at is pleased to be the local host of the Europe Biobank Week 2016 - the first annual biobanking conference resulting from the strategic alliance of BBMRI-ERIC and ESBB. The Europe Biobank Week will be the most important annual biobanking conference in Europe.

Central theme of the event is "Biobanking for Health Innovation". It will be organized in association with the International Biobank Summit and the BBMRI-LPC Forum Meeting 2016.
