

Record numbers of registrants and industry support at the Europe Biobank Week 2016

The Europe Biobank Week (EBW) is the joint conference of ESBB and BBMRI-ERIC in Vienna, from the 13th to 16th September, 2016. BBMRI.at is the local organizer.

There is great interest in this conference which is reflected by a

- **Record number of registrants** by the time of the early-bird registration deadline (20th June)
- **Record levels of support from industry** (Platinum, Gold and Silver Sponsors)

as compared to previous ESBB and HandsOn Biobanks conferences
