1st Biological & Medical Sciences Research Infrastructures (BMS RIs) Meeting

Theme: How European Biological and Medical Sciences Research Infrastructures boost Innovation by Open Access

Purpose: to explore how the 11 Biological and Medical Sciences Research Infrastructures (BMS RIs) participating in CORBEL can stimulate innovation in Europe through providing open access to their key assets, such as resources, technologies, data and knowledge.

Date: 20 June 2017, 9:00 – 18:00

Venue: Grand Auditorium, Museum of Natural Sciences, Rue Vautier 29, 1000 Brussels

Programm >>

Registration: Please register via mail to Christoph Schreiner (christoph.schreiner@medunigraz.at). Deadline for registration: 15.05.2017. Note: As there is a limit for the audience, registrations will be handled on a first come, first served basis.

Target groups: research infrastructures, industry, the European Commission, research groups and other stakeholders from research and innovation fields

Organizer: BBMRI.at member Medical University of Graz organizes this meeting as partner of the EU project CORBEL.

CORBEL (www.corbel-project.eu) is an initiative of 11 new Biological and Medical Sciences Research Infrastructures (BMS RIs), which together will create a platform for harmonised user access to biological and medical technologies, biological samples and data services required by cutting-edge biomedical research.
