

BBMRI.at was actively participating in the Europe Biobank Week in Antwerp (4-7 Sep 2018)

All BBMRI.at partner biobanks attended the Europe Biobank Week. Biobanks and the BBMRI.at consortium partners presented the achievements of its work in lectures, presentations, posters and on the BBMRI.at exhibition stand. They used conference for networking with the biobank community and for exchange of experiences with other BBMRI-ERIC National Nodes.
