BBMRI.at & BBMRI-ERIC News

**Osteoporosis cohort - 2nd portrait of a BBMRI.at sample collection** - Aug, 2018 (ZWT)

A new series published in BBMRI.at and BBMRI-ERIC communication channels. You want to present a sample collection from your biobank? -> Contact [cornelia.stumpfner@medunigraz.at](mailto:cornelia.stumpfner@medunigraz.at)

**BBMRI-ERIC Collaboration with RD-Connect Community** - Juli, 2018 (RD Connect)

The RD Connect 'Registry & Biobank Finder' and the 'Sample Catalogue' will be migrated to BBMRI-ERIC ...

**Mehr Verständnis für Biobanken – und für Radfahrer** - Juni, 2018 (ZWT)

Interview mit Erik Steinfeldt über die Vernetzung zwischen Forschung und Wirtschaft, divergierende Interessen und die Radfahrer in Graz ...

Global Biobanking News

**Specimen Gap Threatens Medical Progress** - Laboratory Equipment, Aug 2018  
Four out of five researchers were limited in their work because of difficulties with access to high-quality specimens. One reason is lack of visibility: researchers don't know what specimens are available and from where, and biorepositories haven't made their inventories discoverable.
