

Advancing SARS-CoV-2-related innovation in Austria

The Austrian Federal Government and the City of Vienna are investing in research, development and innovation that contribute to mastering the pandemic. The new Highlights folder lists some of the support schemes:

- FWF: Urgent Funding SARS-CoV-2
- FFG: Emergency Call for Research into COVID-19
- aws Investment Bonus
- WWTF: COVID-19 Rapid Response Funding
- Vienna Business Agency: Innovate4Vienna

Contact LISAVienna for a more detailed overview and for information on COVID-19 related business support in Austria. Please also explore opportunities listed here:
