

**KinderUni reporters dive into the world of science.  
With podcast contributions children make adventures audible!**

NOVEMBER

At KidsUniversity Graz, girls and boys slip into the role of radio reporters and explore exciting research areas in science in conversation with experts. They are supported and accompanied by the radio journalist and media educator Dr. Doris Rudlof-Garreis.

Child reporters from VS Waltendorf Graz interview Mag. (FH) Cornelia Stumptner from BBMRI.at - the Austrian biobank research infrastructure on the subject of

"A special bank"!

**Open the podcasts>>**

„What is a biobank?“ „Was ist eine Biobank?“	
„Inquisitive researchers“ „Wissbegierige Forscherinnen & Forscher“	
„So many jobs“ „So viele Berufe“
