

#### Dr. Obermayer-Pietsch takes over the presidency of the Austrian Platform for Personalized Medicine

Dr. Obermayer-Pietsch from BBMRI.at partner Medical University of Graz (Clinical Department for Endocrinology and Diabetology) will assume the presidency of the Austrian Platform for Personalized Medicine (PPM) for the next two years. She takes the agendas from Dr. Renate Kain from BBMRI.at partner Medical University of Vienna.

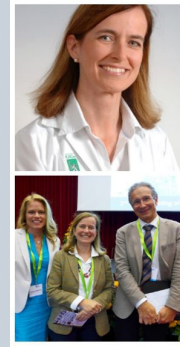

Together with Dr. Lukas Huber from BBMRI.at partner Medical University of Innsbruck, Dr Kain was appointed as Vice President.

The ÖPPM is the national network of the medical universities in Graz, Innsbruck and Vienna as well as the Research Center for Molecular Medicine of the Austrian Academy of Sciences (CeMM). The aim is to advance the interdisciplinary examination of the topic of personalized medicine in Austria, in a European and in an international context.

#### SAVE-THE-DATE:

The next ÖPPM Annual Meeting under the motto "Digitization in Medicine", will take place at the MedUni Vienna from **October 8-10, 2020**.
