

Watch the video „EFRE success stories from Styria (Austria)”

May 2021

Biobank Graz, BBMRI.at and BBMRI-ERIC are located at the ZWT – Center for Knowledge and Technology Transfer in Medicine - at the Med Uni Graz Campus. Many established and start-up companies have their offices and laboratories at the ZWT, too.

A new video gives an impression of the ZWT and the development of some of the tenants. Biobank Graz took part in the shootings for this video.
