

Meet BBMRI.at at the Europe Biobank Week 2021 virtually
8-10 Nov 2021

In 2017, BBMRI.at organized the Europe Biobank Week (EBW), which is the biggest biobanking conference in Europe. It is jointly organised by ESBB and BBMRI-ERIC. This year's theme is "Biobanking for our Future – Opportunities Unlocked".

Follow the talks and posters presented by BBMRI.at members at the EBW online from 8 - 11 Nov 2021. If you missed them, abstracts, posters and presentations are available for download below.
