

BBMRI.at contributes to the  
**LISAvienna Regulatory Conference for Medical Devices and In-Vitro Diagnostics**

Once again BBMRI.at contributes to the LISAvienna Regulatory Conference for Medical Devices and In-Vitro Diagnostics and will inform participants from industry, regulatory bodies and academic institutions about BBMRI.at partner biobanks, the services and biobanking topics .

The conference will provide developers, manufacturers and users with the latest news on legal aspects related to the approval of medical devices and in-vitro diagnostics (IVDs) in Europe and the USA. The event allows participants to exchange views on this topic with other participants and several experts in the course of presentations and at expert booths.

**When:** 13 October, 2022, 9:00 a.m. to 6:00 p.m.

**Where:** Schloss Schönbrunn - Apothekertrakt, Meidlinger Tor, Grünbergstraße, 1130 Wien, Austria
