**Symposium "Q&A about ISO 20387 Accreditation"**

**Vienna 23 June 2023**

BBMRI.at partner Institute of Pathology, Med Uni Vienna, organizes a symposium with focus on **ISO 20387 accreditation** and the biobanking of tissue and cells.

After an overview on recent advances at the MUW biobank, which has been supported by BBMRI.at, Isabel Gil Aldea, biobank scientific director of the Instituto Valenciano de Oncología (IVO) from Valencia, Spain will give a talk and Q&A on her experiences with ISO 20387 accreditation.

**Date & time:** 23 June 2023, 15:00-16:05

**Location:** Jugendstilhörsaal Med Uni Wien
