Save the Date: Europe Biobank Week Congress 2024 | 14-17 May 2024 - Vienna (Austria)

July 2023

Austria's capital Vienna is the location of the next EBW. The annual event organized by BBMRI-ERIC and ESBB will take place in the beautiful and former principal imperial palace of the Habsburg dynasty Hofburg from 14 – 17 May 2024. Join the most important event of the year in the global biobanking community!

The European Biobank Week covers recent innovations in biobanking of human, animal, plant, microbial and environmental samples and data with keynote presentations and high-quality scientific workshops. The congress is a unique opportunity to meet industry representatives and other experts in biobanking in the renowned location of the Hofburg in Vienna, Austria.

Registration for the congress will be open soon!

If you can't attend, live-stream sessions and on-demand videos of the conference will be available.
